

THE MODERN TANZANIAN YEAR

1977-1978

Pauze Clark

**Today I will surpass
every action which
I performed yesterday.
I will climb
today's mountain . . .
yet tomorrow
I will climb
higher than today.
To surpass the
deeds
of others is unimportant;
to surpass my own
is everything.**

OG Mandino

MISS M.T. GAP

K A Y E H U T C H I N S

Kaye has been a Mountain Gap cheerleader for two years. She serves this year as captain and has done a very good job. Our student body showed their confidence in Kaye's abilities by electing her Vice-President of the Student Council. Choral activities also find Kaye excelling. She sings in the mixed ensemble which received a superior rating at Festival. She should be congratulated for qualifying for algebra with so many activities. We are proud of you Kaye!

BOY'S BASKETBALL TEAM

Aurelio de Castro came from Karl C. Parrish School in Barranquilla, Colombia, as our exchange student in the eighth grade. During his eight weeks at Mt. Gap, he stayed with Doug Ensley's family. According to Aurelio, math was one of his favorite subjects here. He told us he is also interested in soccer and girls.

When he came in October, we welcomed the opportunity to meet and know a classmate from a South American country, and when he flew home to his parents and sisters in December, we missed his quiet, smiling presence.

Today I will surpass
every action which
I performed yesterday.
I will climb
today's mountain . . .
yet tomorrow
I will climb
higher than today.
To surpass the
deeds
of others is unimportant;
to surpass my own
is everything.
